ఇది కేవలం నమూనాగా మాత్రమే తయారు చేయడం జరిగింది. ప్రాజెక్ట్ ఇలాగే తయారు చేయవలసిన అవసరం లేదు. మీ స్థానిక అవసరాల దృష్ట్యా మార్పు చేసుకోగలరు. ఈ ప్రాజెక్ట్ ఆంగ్ల మాధ్యమం విద్యార్థులను దృష్టిలో పెట్టుకుని చేసింది.

TITLE OF THE PROJECT

NATIONAL CONSUMER DAY

INTRODUCTION

The history of National Consumer Day will be introduced in this project.

AIM OF THE PROJECT

We have chosen this project with the intention of fully understanding the significance of Consumer Day and Consumer Rights

COLLECTION OF INFORMATION

We have collected this information from our social text book, news papers ,
And the internet .

RECORDING OF INFORMATION

National Consumer Rights Day : Knowing the rights as a consumer is very important. While the market should run on certain ethics and values, sometimes people can exploit us if we do not know our rights good enough.

The awareness of the rights helps us to maximise our benefits as a customer and enable an ethical flow of goods and services in the market.

The Government keeps on emphasising on the consumer rights and the protection of those rights and tries to involve the citizens and make them aware. It is important for consumers to be educated about these rights and practice them in their daily lives.

Every year, National Consumer Rights Day is celebrated on December 24.

History:

In 1986, the Consumer Protection Act was passed and received the assent of the President on December 24. Since then, National Consumer Rights Day is celebrated on this day to commemorate the occasion.

The Consumer Protection Act acts to protect consumers from defective goods, negligent services, and unfair trade practices.

Significance:

National Consumer Rights Day is often confused with World Consumer Rights Day which is celebrated every year on March 15. While the aim stays the same, National Consumer Rights Day is celebrated on a national level, and World Consumer Rights Day is observed on a global level.

National Consumer Rights Day aims to educate the consumers about their rights and help them to gain maximum benefits, all the while ensuring that they are not exploited. It also educates them to take action against unfair trade practices.

CONCLUSION

We are very much thankful to our social studies teacher and also the Headmaster of our school for their cooperation and guidance Throughout the project work .
